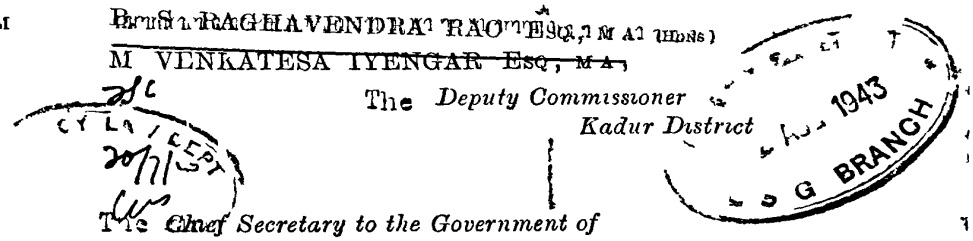
OFFICE OF THE DEPUTY COMMISSIONER
KADUR DISTRICT

Dated Chikmagalur 28th July 1943

ENCS file

FROM M VENKATESA IYENGAR Esq, M A,
The Deputy Commissioner
Kadur District



To
The Chief Secretary to the Government of
His Highness the Maharaja of Mysore
Law Department- Bangalore

SIR

Regarding payment of an allowance of Rs 15/- per mensem to the Assistant Surgeon - Tarikere for having attended to special inoculation work

---

I have the honour to state that the President Municipal Council Tarikere reports that the Assistant Surgeon at Tarikere inoculated 1305 people during the months of March April and May 1943 when cholera epidemic broke out at Tarikere town A special duty Doctor deputed by the Director of Public Health is reported to have inoculated 3519 people from 13th July 1943

On the request of the Assistant Surgeon, the Town Municipal Council Tarikere resolved at their meeting held on 15th July 1943 that an allowance of Rs15/ per mensem for three months viz March April and May 1943 may be paid to him for the inoculation work done by him the expenditure in this behalf being met out of the provision made under plague and cholera charges in the sanctioned budget of the Municipality for the current year

I therefore request that sanction of Government may be kindly obtained for the resolution of the Tarikere Town Municipal Council for payment of the allowance

150/L

allowance referred to above as per article 280 of the Municipal Accounts Manual Volume II

The connected records are enclosed for favour of reference

Office of the President
TOWN MUNICIPAL COUNCIL
TARIKERE
Date 19th July 1943

From

The President
Town Municipal Council
TARIKERE

To

The Deputy Commissioner
Kadur District
CHIKAMAGALUR.

Sir

I have the honour to state that cholera epidimic showed its appearance in the Town during March 1943 Preventive measures were immediately undertaken to check the spread of infection by inoculating the people stoppage of weekly shandys and repealed hankanising the wells and drinking water tank in the Town with potasium permanganate and bleaching powder The Local Medical Officer commenced anticholera inoculation work in March 1943 and inoculated 1305 people during March, April and May 1943 Thanks to the timely preventive action taken by the help of the local doctor there was no infection in the Town and there was no attacks and the deaths reported were all imported cases and though all the neighbouring villages had infection A special duty Doctor deputed by the Director of Public health commenced the antiinoculation work in the Town on 13th May 1943 and inoculated 3519 people

On the requisition Assistant Surgeon Tarikere the Municipal Council at its meeting held on 15th July 1943 have uranimously resolved that an allowance at Rs 15/- per month for three months ie March, April and May 1943 be given by the municipality for the inoculation work done by him

As per Government order No L 4356-65-M140-30-23 dated

p t o

19th November 1930 an allowance not exceeding Rs 15/- per mensum out of the Municipal Funds is allowable for the Doctor who attends to such work, I request you to be so good as to obtain the sanction of Government for the payment of Rs 45/- at Rs 15/- per month for three months, meeting the cost out of the provision made under plague and cholera charges in the current year's budget

Copy of the resolution passed in the matter is herein enclosed, for your reference
